The Christchurch Earthquake Appeal

Launched by Prime Minister John Key on 27 February 2011, the Christchurch Earthquake Appeal is the official, global fundraiser for the recovery effort for Christchurch and the Canterbury region.

The Christchurch Earthquake Appeal will invest in seven core areas to restore communities. They are: Sport and Recreation, Education, Hardship and Relief, Environment, Economic Revitalisation, Heritage and Culture, and Spiritual and Faith.

Variety

Variety - The Children's Charity is working with families in earthquake-stricken Christchurch to help them rebuild their lives. Winter is taking its toll and many parents are now asking Variety for money towards basic needs like firewood, heating, warm clothing and blankets. For many of these families, making ends meet before the earthquake was tough, but with damage to their homes, less work available and the extreme weather conditions, they are finding themselves in a dire situation.
